Aluminum Finish Case for Samsung Galaxy S® 4

K44417WW

Product Description

Protection for your Samsung Galaxy S 4 never looked so good. The Kensington Aluminum Finish Case wraps the back of your Samsung Galaxy S 4 in a form-fitting hard-shell case with aluminum finish that protects it from bumps and scratches. The Kensington Aluminum Finish Case for Samsung Galaxy S 4 is perfectly sculpted to preserve easy access to all controls, touchscreen, ports, both the front and rear-facing cameras, and of course the IR Blaster. And if you still manage to drop it, you'll have peace of mind knowing that the back and sides of your Galaxy S 4 are protected. Protection like this is a must-have for anyone who uses Samsung S 4 features like S Health pedometer, Group Play gaming or for that matter, anyone who lives in the real world. The case doesn't just protect, the aluminum finish resists smudges and fingerprints too, to keep your Galaxy S 4 looking sharp. Plus the case is incredibly light and gives your Galaxy S 4 a dash of style and class without adding bulk.

Features

- A stylish aluminum-finish shell of protection for your Samsung Galaxy S 4
- Case allows you to easily access all controls, touchscreen, ports and camera
- Hard-shell protective case provides protection from drops and scratches
